COVID-19: What You Need to Know
GENERAL RECOMMENDATIONS - FOOD SERVICE OPERATIONS

Below are recommendations and requirements for school food service operations:

- Cooks are required to wear masks, shields and gloves while cooking or serving.
- Proper handwashing and sanitizing procedures utilization is required
- No access/entry of kitchens by anyone other than Cooks and kitchen support staff.
- No staff or student use of the Kitchen, or pass through, allowed
- Offer vs. Serve regulation are waived, meals will be pre-plated in closed cartons
- Congregate feeding regulations are waived, classroom and home meals are allowed
- Milk and water serving regulations are waived, one milk option will be served to minimize the number of contact surfaces with serving containers
- Stay home if you are sick with any symptoms of COVID
- Cooks will be screened each day before entering school
- Personal hygiene is critical, practice DEC personal hygiene guidelines for food service professionals

Should a situation arise where a community is designated yellow, lunch service will be evaluated with the Village Covid Advisory Committee. Red designation will discontinue food service.
