LPSD PARENTS – WE NEED YOUR HELP!

- Encourage your students to understand and comply with newly imposed safety mandates for the upcoming school year
- Practice good sanitation and hand washing habits at home
- Screen your child for symptoms at home each morning prior to putting them on the bus or sending them to school.
- Adhere to your communities' travel protocols upon return from out-of-region travel
- Keep communication lines open with the school, immediately letting your principal or head teacher know if your child is sick, showing symptoms or has tested positive for Covid-19 (or anyone in your family for that matter)
- Communicate questions and concerns with your head teacher or principal. Please don't let anything fester...
