The Lake and Peninsula School District is participating in the Summer Food Service Program. Meals will be provided to all eligible children enrolled free of charge. Meal times will stay the same and parents/guardians do not have to do anything. By switching to the Summer Food Service Program, LPSD will have more flexibility on meal requirements and more menu flexibility.

Acceptance and participation requirements for the Program and all activities are the same for all regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.
